MOTION FOR New Emergency Help

Please per compliance to March 26, 2018
Court order this emergency request for help
is not the others (ie repetitive).

I am a woman, while I must use the term
trans-blank because of individuals incompetency
to grasp that, I am still a woman.

I continue to be vunerable and DOC
Continue to fail to protect my safety
time and time again. They fail to act
until after events of physical or sexual
unwanted/unwarranted events happen.

I very feminine, appear with well
developed breast, am not aggressive,
am timid off paper, and my size is
steadily shrinking. I fit comfortably
into size 3 panties. I wear small Docs
I still must roll the pant waist that say
18-20 inch waist. I am easily intimidated

and it is well spread accross the prison that they (inmates) can get away with rapping me. This is because when I have reported, it has been a laugh and the inmates have gone unpunished.

Recently, on camera I was physically assaulted and sexually assaulted. Over a month later, they claim to still being doing an investigation. They were pre-warned of this danger and did nothing till I reported it multiple times.

An incident prior, I had to get stitches and still have a scar earlier last year. It was by an inmate who got mad. I would not have sex with him.

The policy signed, per permission of the law, by the Commissioner DOC Policy 8.60A permits transfer to BWCI regardless of external genitalia.

This is one of the few things even Dr. Robin O. Timme advises in my case. It is dangerous where I am downstairs & here. For my life and safety please provide relief and force them to transfer me to BWCI
